Sir:

PETITION TO REVIVE AN UNINTENTIONALLY ABANDONED APPLICATION
UNDER 37 C.F.R. § 1.137(b)

Based on the petition for a three-month extension of time from December 28, 2006 up to and including March 28, 2007, the above-referenced application was abandoned on March 28, 2007 for failure to prosecute. The entire delay from the date of March 28, 2007, until the filing of this Petition, was unintentional. As the responsible petitioner, I am in a position to know that such delay was unintentional. A United States patent application, U.S.S.N. 11/692,872, was filed on March 28, 2007 and is a continuation of the above-referenced application. However, a petition for a three-month extension of time and fee set forth in 37 C.F.R. § 1.17(a) was inadvertently not filed before the statutory deadline of March 28, 2007. Applicant hereby petitions for revival of this application.

This petition is also accompanied by a petition for a three-month extension of time from December 28, 2006, up to and including March 28, 2007, and a credit card form covering the fee for such an extension is enclosed. This petition is also accompanied by a credit card fee covering the petition fee of \$750.00 for a small entity set forth in 37 C.F.R. § 1.17(m) for an unintentionally abandoned application.

Please charge any other fees associated with this filing, or apply any credits, to our
Deposit Account No. 03-1721.

Respectfully submitted,

/BHJarrell/
